

15. June 2021 The Foundation announces the next edition of the Joanna Matejko Competition for the best master's thesis on the topic of international migration from and to Poland and the Polish diaspora. The deadline for submitting applications is **15.11.2021**.

The aim of the competition is to support researchers on the subject of international migration from and to Poland and the Polish diaspora, who are at the initial stage of their academic career, and to promote the results of their scientific work.

The competition prizes were sponsored by Agnieszka Matejko, the daughter of Polish historian and activist Dr. Joanna Matejko, who researched the history of the Polish diaspora in Canada and the country's immigration policy.

The competition is held under the patronage of the [Committee on Migration Research of Polish Academy of Sciences](#), which in its activities undertakes interdisciplinary issues of international migration processes, with particular emphasis on migration experienced by Poland, both emigration and immigration.

Organisers: [Centre of Migration Research–University of Warsaw](#) and Centre of Migration Research Foundation
